

# Global Alliance to Phase Out HHPs

OEWG2 should request FAO in consultation with stakeholders to develop a proposal for a Global Alliance to Phase-out Highly Hazardous Pesticides with the following objectives:

- Raise awareness about the harms of highly hazardous pesticides and the availability of safer alternatives
- Guidance on safer alternatives to HHPs with priority to non-chemical alternatives and ecosystem approaches to sustainable food and fibre production
- Promote the establishment of appropriate national regulatory frameworks to stop the manufacture, import, sale and use of highly hazardous pesticides
- Provide guidance and promote assistance to identify and reduce exposure to highly hazardous pesticides
- Provide assistance to farmers to enable them to phase out highly hazardous pesticides while maintaining their agricultural livelihood
