

WE WARMLY WELCOME YOU TO PARTICIPATE IN THE INDIGENOUS PEOPLES' GLOBAL CAUCUS SIDE EVENT

“THE STOCKHOLM CONVENTION AND INDIGENOUS PEOPLES' HUMAN RIGHTS, COMMUNITY HEALTH AND SURVIVAL: CHALLENGES AND SOLUTIONS TEN YEARS AFTER THE POPS TREATY ADOPTION”

Wednesday, April 27 during the lunch period, 1:15-2:45 pm

“We are representatives of Indigenous Tribes and Nations. Our lives and the lives of future generations are threatened by the contamination of our lands, waters, and traditional foods. Persistent organic pollutants that travel on wind and ocean currents from all over the world continue to accumulate in the bodies of animals and our peoples, even in places where these contaminants are not produced or used.”

PLEASE PROTECT OUR HEALTH AND FUTURE GENERATIONS

Presenters include:

Andrea Carmen, Yaqui — International Indian Treaty Council, North America Region
Vi Waghiyi, Yupik — St. Lawrence Island, Arctic Region
